**If your child is disruptive or disrespectful,
The following will go into effect:**

1st time – the behavior will be identified, and the child will be ask to make the correction

2nd time – same as above but a note will be given to the child’s parent at pick up to be followed up with a phone conference between FB Staff and child’s guardian.

3rd time – if the above does not encourage appropriate behavior, we will issue a 1 week suspension from FaithBuilders (we will send lesson material home for them to complete...if desired)
