

FaithBuilder Information Form – Wednesday 3:30 – 5:30 (FLC)

Clayton FUMC is proud to serve you and your child through the FaithBuilder program. You are required to **fill out a registration form** and **provide a way to contact you** in the event of an emergency. You are also required to sign the **Permission Slip** and return it with your registration; we cannot pick your child up from school without a signed permission slip.

This program is an outreach ministry of Clayton First United Methodist Church. The program is run by volunteers, which allows us to offer it to you without financial obligation. However, we do expect your help. Please prayerfully consider being a volunteer or bringing us snacks one Wednesday afternoon. Contact Jeremy Noffsinger (782-4426) and make a difference in a young person's life!
(Financial gifts are accepted – they should be made out to CFUM / memo: FaithBuilders).

We believe that it is important that you know our expectations of your child.

- Use good manners
- Walking, no running, inside the FLC
- Keep hands and feet to yourselves
- No pushing or shoving, No bullying
- No disturbing the class during bible or music time
- Respect and obey your adult teachers/leaders
- Do not use profanity, obscene gestures or indecent exposure
- Do not take anything that does not belong to you
- No inappropriate displays of affection
- No physical assault or violence against a staff member or student
- No possession or distribution of any drugs

**If your child is disruptive or disrespectful,
The following will go into effect:**

1st time – the behavior will be identified, and the child will be ask to make the correction

2nd time – same as above but a note will be given to the child’s parent at pick up to be followed up with a phone conference between FB Staff and child’s guardian.

3rd time – if the above does not encourage appropriate behavior, we will issue a 1 week suspension from FaithBuilders (we will send lesson material home for them to complete...if desired)

4th time – Mandatory conference with child, guardian, Children’s Minister, & Pastor

*It is not our goal to discipline your child. However, it is important that we create an environment that makes **everyone** feel welcome and excited to learn about God!*
