Do You Need Help?

The Rabun Aid Program is a local Christian mission. We are committed to serving the people of Rabun County! Our volunteers come from various churches. We get a lot of support from the local church, but we could not survive without the generosity of our volunteers from all over the southeast.

This "application " is meant to be filled out by someone who needs help and returned to Clayton First United Methodist Church. We collect applications until the first week of June, and then we visit the potential job sites and make evaluations (based on the needs and the crews that we have available). The RAP work teams can do housecleaning, windows, yard work, painting, handicap ramps, and other types of minor construction needs. Our insurance policy will not allow us to participate in roof repair (this is a recent policy change). We will not make repairs to rental homes or uninhabited homes. It is our desire to use our resources for helping people in need. If chosen to be a RAP client, all labor and materials are provided to you free of charge.

This is an application; it does not guarantee you will be chosen. Unlike the amazing God we serve, we have limits to our abilities! We do not have a rule that limits how often we help individuals; however, we try very hard to be good stewards, and we expect the same from our applicants.

Please complete the following and return it to Clayton First United Methodist Church (RAP)

Applicants Name: Phone Number:

911 Address:

General Directions (from a prominent road or landmark):

Work or Repairs that you would like to have completed (use the back of form if necessary):
